CAPABILITIES

Mac Arthur Corporation is a leading global supplier of custom labels, tags, decals, and die-cut components for a wide range of industrial and consumer applications. Our products include branding, identification, packaging, traceability, barcode, RFID, UL, and harsh environment solutions. We supply products in over 22 countries and provide category management and supplier consolidation services. For 50 years we have served both global customers and regional manufacturers representing the automotive, technology, medical and consumer industries.

DIFFERENTIATORS

Mac Arthur emphasizes quality, delivery, innovation, and a culture of continuous improvement. We are the only label and tag manufacturer with TS 16949 Certified facilities covering the three largest manufacturing regions; North America, Europe, and China. We take pride in our award winning service and partnerships with premier Automotive OEMs and Tier 1 suppliers like General Motors, Toyota, Delphi, Denso, Johnson Controls, Autoliv, and more.

THE MAC ARTHUR ADVANTAGE

- Custom Label, Tag, & Decal Solutions
- Engineered Die Cut and Printed Components
- Serialized and Variable Image Printing and Verification
- In-house Test Lab and R&D (USA, China, EU)
- Warehousing: US, MX Border, China, Europe
- Global Program Management & Sourcing
- Three TS 16949 Certified Manufacturing Facilities (US, Poland, China)

As a certified MBE, WBE, and SBA, Mac Arthur supports our customers' diversity and inclusion goals.

PERFORMANCE

- 100% Green Scorecards with ALL Customers
- 100% On-Time Delivery Ratings
- GM Supplier Quality Award
- Delphi "Pinnacle Award" Winner - *Delphi's Highest Supplier Award*
- Nexteer "Perfect Quality" & "Perfect Launch Award" Winner
