

Mac Arthur Corporation Environmental Policy

It is the policy of Mac Arthur Corporation to conduct its operations in a manner that is environmentally responsible and befitting of a good corporate neighbor and citizen. In accordance with this policy, Mac Arthur Corporation complies with all environmental laws and manages all phases of its business in a manner that minimizes the impact of its operations on the environment. To further this policy, Mac Arthur Corporation shall:

1. Comply with applicable environmental laws and regulations and voluntary commitments to which the facility subscribes.
2. Eliminate, or reduce to the maximum practical extent, the release of contaminants into the environment, first through pollution prevention (material substitution and source reduction), then recycling, and finally through control technologies.
3. Effectively communicate with facility employees regarding EMS performance.
4. Periodically review and demonstrate continuous improvement in the facility's environmental performance, including areas not subject to regulations.
